Submitted with refce. to the Secy's note, dt. the 3-12-52.

2. Very recently the President, Govt. Peons' and Inferior Servants Union, forwarded a copy of it 26th Annual Report and copies of the Resolutions passed at the last general meeting. A refce. was made in the report that none of the staff was brought on the permanent estabt. inspite of several requests and also inspite of having brought the fact to the notice of the Jt. Council. In the Resolution passed at the last general meeting of the Union, Govt. has again been requested to consider this question as well as that of increasing the wages of the daily rated staff. These questions have been considered in file No. A.N.G. 1252/605382. A draft reply on the lives as directed by the Secy has already been put up on 2-12-52. The attitude of the Union in harping over the matter every few days is not understood. No separate reply seems necy to the present communication. These papers may be filed with the main papers on their return.
